

# Are you a wildlife lover?

If you love wildlife then here's something you can do to help Britain's animals and birds. Every year more of our best-loved native creatures become endangered. Otters, hedgehogs and even Sky Larks are now under serious threat.

## Secret World Wildlife Rescue

is the West Country's only 24-hour wildlife rescue centre - stopping the suffering of over 4,000 animals and birds across 7 counties every year and educating over 90,000 people about wildlife and its conservation. As a registered charity, without the support of people like you, quite simply we couldn't carry on.

## How to help - Payroll giving

Payroll giving is one of the best ways to help Secret World. It's simple for you to set up but gives us regular, reliable income. Not only that, because your gift is pre-tax every £1 you give costs you less. A basic rate tax payer for example only pays £4 for every £5 a month donated.

**Giving is easy. Just complete the form below and hand it to your finance department. They'll do the rest!**

**Rescue, treat and release another injured animal or bird**

**Care for and feed an orphaned animal such as an otter or a hedgehog**

**Give another child a countryside experience to inspire love and concern for wildlife**

## What is Payroll Giving?

It's a simple and tax-effective way to support any charity of your choice. You decide how much you want to give each week or month, by completing this form, you ask your payroll department to deduct your donation from your pay at source.

## How does my donation reach my charity?

Your payroll department sends your total donation to an HMRC approved Payroll Giving Agency which forwards your gift on to your chosen charity(ies) every month.

The data supplied on this form will be used to enable your donations to reach your chosen charity/charities. In order that your instructions can be acted on, your details will be passed to Her Majesty's Revenue & Customs registered Agency, with whom your employer has contracted, who will forward your donations to your chosen charity/charities. Your chosen charity/charities may send you a thank you letter acknowledging your donation.

If you do not wish to receive acknowledgement from your charity and only wish to be contacted in the event of a specific query needed to resolve the processing of your data for the proposed of these instructions, please tick here.

*"Teach me to love animals, to let them live a life that nature intended,  
The world is fragile and yet everything is related.  
Teach me to take only what I need to survive, not to take for gain or greed.  
Make me aware of the effects of my actions on others,  
Nature is perfect - sadly we are not!"*
